

Bacon Fried Rice with Thai Fried Egg

CALLING ALL BRUNCH-ERS!

#ENJOYLIFE #BRUNCHDALLAS #COOKINGWITHNIKKY

We have been looking for a brunch place ourselves and seem to crave the combo of Asian flare and American Bacon and Eggs. Since we didn't find a place that tickled our taste buds, we created our own menu. These items are breakfast items we grew up eating in Thailand with a Bacon and Egg twist. Enjoy!
